NOTICE

The first time you call…

Answer a few questions to set up your mailbox. The system asks you to record your name, spell your name, record a personal greeting, and set your security code.

1. Call the system.

   From inside your organization _____

   From outside your organization _____

2. When the system greets you, enter:

   Personal ID _____

   Security code _____

3. Answer the system questions. Press 1 for Yes, 2 for No. Or, if your system includes speech recognition, you can say "Yes" or "No."

4. When the system tells you that your mailbox is set up, press 1 or say "Yes" to confirm.

To check your messages using a phone

1. Call the system.
2. Press your personal ID, if required.
3. Press your security code, if required.

   You will hear the main menu.

4. Press 4. While listening to a message, you can use the commands listed below.
